

Malaga Airport to Vime resort 40km /30 minutes

Welcome to Spain and the Costa del Sol

There are 3 main roads along the coast.

AP7 is a toll road however it isn't a toll until north of Fuengirola and up to that point the **A7** and the **AP7** are the same road. After Fuengirola the **AP7** runs slightly more inland than the other roads. It's best avoided unless you don't mind paying the toll and you are in a big hurry. If the other road is blocked you can use the **AP7** all the way between Malaga and Gibraltar. Only the section from Fuengirola west towards Gibraltar is a toll road.

The **A7** stays closer to the coast than the **AP7** but the **A7** is not a toll road. The **A7** is the recommended road to follow.

The **N340** cuts all along the coast and goes right through some of the major urban areas along the coast including Torremolinos, Benalmadena and onwards down the coast to Cadiz. It's an interesting drive but lots of traffic lights, people, cars and pedestrian crossings. Where the **A7** is close to the coast, the **N340** and the **A7** merge.

Let's get going:

Proceed from airport to motorway **A7**, direction Marbella. Just keep going on the **A7** always following signs direction Marbella. Proceed about 37km until you see the exit sign **CABOPINO** mile marker **N-340 km 195**. Now get ready to leave the **A7** at the 2nd exit after **CABOPINO**.

After **CABOPINO** you get very close and there are 2 exit possibilities 500m apart to leave the **A7**.

1st Exit option Motorway **A7** direction Marbella continue past the exit to resort 'Artola Alta' on the right, under 1st footbridge. Proceed to 2nd footbridge (+-500m) sign **MARBELLA 12 CADIZ 206** to mile marker **N-340 km 194** then look for the next sign **Carib Playa 500m** and Exit immediately under footbridge (refer to map)

2nd Exit option Proceed 300m to next exit **LAS CHAPAS**. Proceed to roundabout and take 2nd exit off roundabout to supermarket **SUPERCOR** on the right at the exit (refer to map)
